The Students Of Today — The Stars Of Tomorrow

Everywhere you go whether it be Hollywood, New York City, Paris or Mustang, Oklahoma, people are doing things that make them famous. Film stars get Oscars, recording stars get gold records, and t.v. personalities get Emmy's; great men and women of the world receive Nobel prizes and writers get Pulitzers; athletes win trophies and retirees get gold watches. This year's edition of the Remuda will recognize the stars of today who are students at MHS in it's edition of ''The Stars Will Shine In '79''.

There are many stars at MHS and we will attempt to introduce you to as many of them as possible. Everyone is a star in his own right even if not recognized by others. Inside all of us is something to be proud of and to share with others. Who knows, maybe some of the stars in '79 will also be great stars in the future.

The class of 79 is the smallest class in the school, but what it lacks in numbers, it makes up for in talent. The class raised the highest total ever for the Heart Fund with over $1,500. They backed the athletic teams, student productions and took leadership in events. Every senior year remains in the hearts of graduates, but this year the seniors have more than just 180 days to remember.

They'll have much much more to remember.

The first year of high school is hard for most freshmen because they are so shy, and unfamiliar with the grounds. The first couple of days are hard and a big change from Middle School. But, most freshmen seem to do O.K.

The freshmen class is the largest class at MHS this year. They participated in the hall decorating contests but failed to beat the rival senior class. Their officers are: Pres. Kevin Hutchcroft; V.Pres. Paige Rooker; Secr.-Tres. David Souders.

Their King and Queen of Hearts contestants were Jamie Sanders and Bob Armstrong. Their sponsors were Miss Pellow, Mr. Grubbs, Mr. Ishmael, and Mr. Lam. They held their own pep assemblies and their teams worked hard to maintain the tradition of MHS.

Second Hand News

Things get really chaotic Friday and Monday afternoons. It's deadline time for the Bronco Scene and Staffers are busy typing, interviewing, and editing copy. Annetta and Laura have their hands full when Rob and Leon turn in 25 stories at the same time. Someone is always fighting over a typewriter, while Scott and Troy do battle over the dark-room enlarger. The rest of the week it is a calm, normal classroom.

Besides practicing and cheering together, the girls became very close friends. Included in all the hard work, they took time out for get-togethers such as going out to Chi-Chi's after a football game and exchanging gifts at a slumber party during Christmas break.

Seniors Politically Active

The Mustang Seniors of '79 chose a mayor and city councilmen to propose political ordiances to the city. They were interested in the conservation of fuel, beer drinking at 18 and the constitutional law of policemen. These proposals were actually acted upon by the city. The mayor of the Senior City Council was Kevin Williamson and the council people were Orman McBride, Joni Hurst, Roslyn Reisman, David Price, Bill Farris, Shawn Huckabay, Gary Smith and Tamra Smith.

In recent years M.H.S. has had two separate royalty queens for the sports of baseball and track. Due to the increasing number of sports held in the spring at Mustang, the royalty was changed to a spring sports queen. This gave the many various sports a chance to be recognized. Jamie Pybas, junior, was chosen queen. She was crowned by senior escort, Giampolo Cocconi. Her attendants were Denise Guarnera, escorted by David Price and Julie Revel, escorted by Terry Tipton.

The class had many memorable moments of which the King and Queen of Hearts was their greatest accomplishment. It took 12 long years of work and study plus a few fun times to get to this stage in life and now — the future is awaiting the Stars of 1979.

Mustang	0	Ardmore	14

We Came A Long Way

The best football season in the history of Mustang took place last fall. The Broncos sported a 9-2 mark losing to Ardmore in the first round of the state 3-A playoffs. They finished as runners-up in the Suburban Conf. and won the 3A-4 District Championship.

ElReno: The season opener saw MHS scalp the Indians 27-13. Jeff Scott scored the first TD of the season. Guy Walcher scored twice and Todd Edwards scored the final TD to defeat ElReno 27-13.

Guthrie: Todd Edwards put MHS on the scoreboard first and in the second quarter the Blue Jays scored to tie the game at half time. With 1:31 left on the clock the Broncos scored and held Guthrie for a 13-7 win.

Western Heights: With TD's by Scott and Ellison and an exchange of fumbles Mustang led 14-8 at half-time. Mullican and Emery scored next for W.H. and took a 22-14 lead. With 2 minutes left, Scott scored for Mustang to boost the score to 28-22. W.H. drove to the 5 yd. line and fumbled and the Broncos went home with the win.

Chickasha: From the sound of the first gun the ball game was all Mustang. Chickasha was no match for the Broncos who entered the game at 3-0 and ended with a 30-0 tally.

Yukon: The first quarter of the homecoming game was scoreless. Walcher, and Cluck scored next for MHS and Cory scored for the Milles. Yukon tied the game early in the second half and in the 4th qtr. Cory put the Millers ahead 21-14. Edwards scored on a pass from Scott to tie the game and it ended 21-21. In overtime MHS scored first and the Millers met the challenge. In the second overtime Mustang scored first and Yukon scored and went for 2 points and were held by the mighty Bronco defense and MHS won 34-33.

Carl Albert: They handed MHS their only defeat of the regular season. The offense was too explosive for MHS and the final score was 34-14.

Choctaw: A game remembered for its fumbles and interceptions. Scoring for MHS was Walcher, Floyd, Cluck, and Price.

Star Spencer: Another game that was all Red Power. The defense held the Bobcats to only 97 yards offensively. Greg Walcher scored the only TD of the 1st half. Floyd kicked a 38 yd. field goal in the 3rd quarter to make the score 10-0. Then Tom Cluck scored and the final score came on a pass from J. Scott to Todd Edwards. 23-0.

Putnam City North: The Panthers were no match for the strength of the Broncos. Ron Harrison, Greg Jacob and Jeff Scott all scored in the first half for a 28-0 score. Then Tom Garrett passed to Dennis McAlister to bring the final points to 35-0.

Ada: The final game of the regular season was merely icing on the cake. It was a game of all Bronco offense and defense as the Broncos won 34-7.

Ardmore: The crushing blow to end a super season came in the form of the Ardmore Tigers. Mustang just couldn't get on track and lost in an upset 14-0 in the first play-off game. The 1978 team averaged 300 yds offensively and averaged 21 points a game and gave an average of 14 points per game.

Only winning two games this season might make a team want to give up, but not the 7th graders at MMS. They are just more determined to prove themselves next year. They posted wins over El Reno and W. Heights while the 8th grade team sported a better season. They finished off their 78 schedule with a 4-4 record. With wins over Guthrie, Tuttle, Chickasha and Duncan they lost a close game to P.C. Central by two points.
